Supervised by: Dr. Wafaa Alsagaaf

We are deeply grateful to Dr. Wafaa Alsaggaf for her invaluable guidance and expertise, which were crucial in shaping our project, SUPER.

We also extend our thanks to the Faculty of Computing and Information Technology for their essential support.

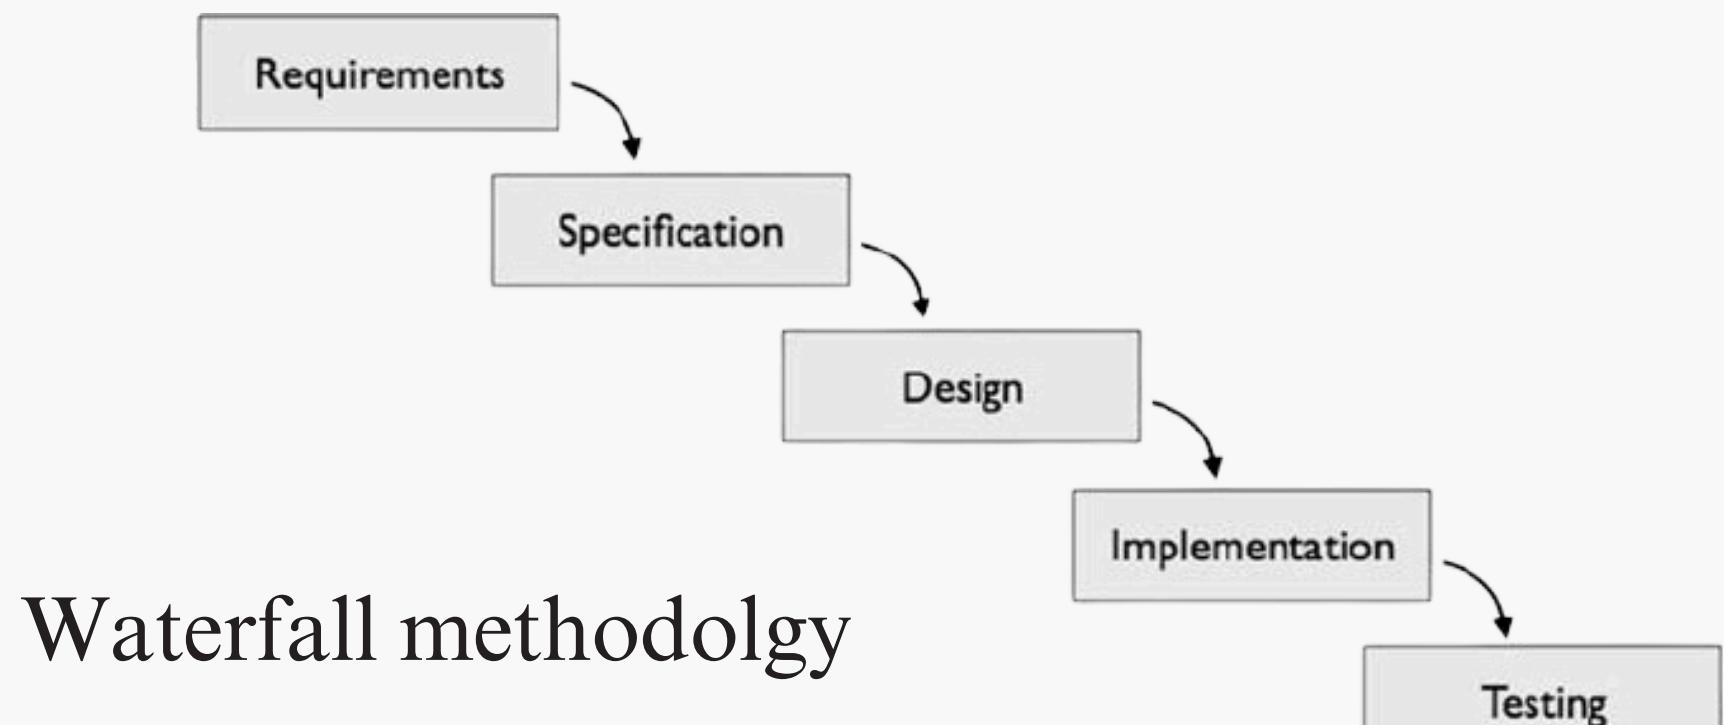

ABSTRACT

SUPER is a web-based platform designed to streamline the PhD experience at King Abdulaziz University. It provides students and coordinators with tools for real-time progress tracking, academic calendar integration. This initiative aims to enhance the efficiency of PhD program management and improve graduation outcomes.

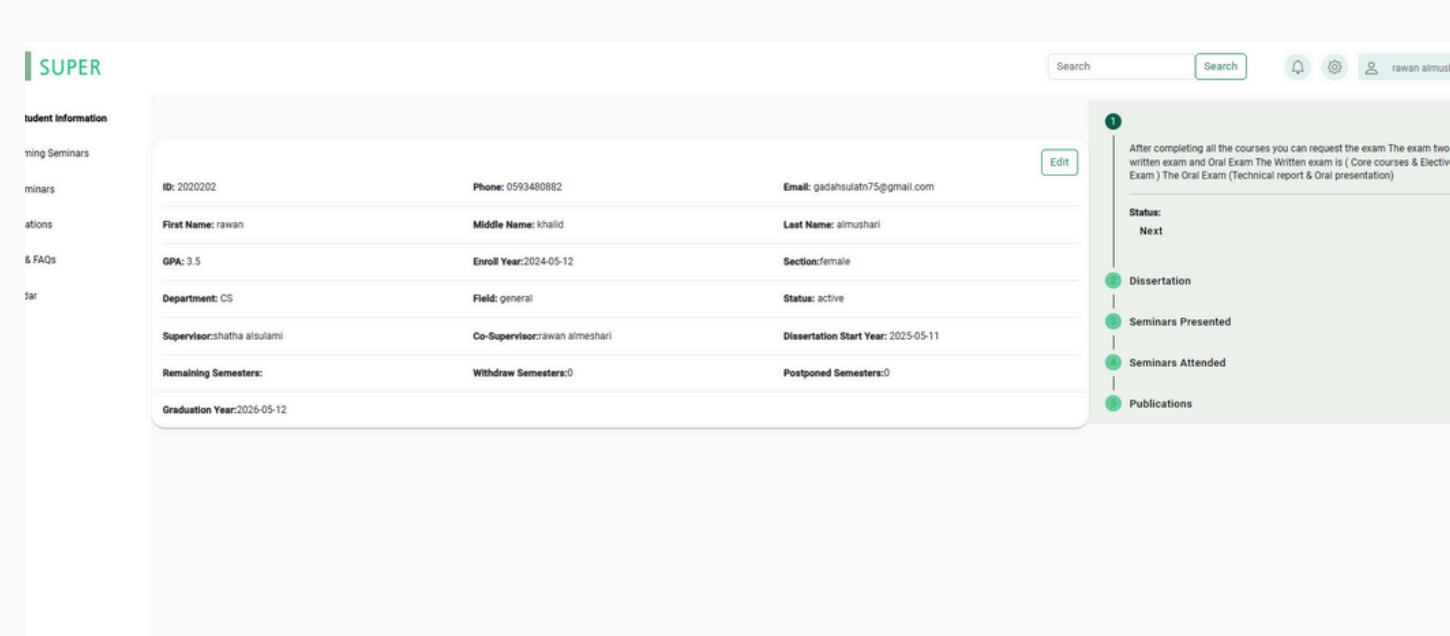

OBJECTIVES

- Build a Comprehensive Database
- Centralized Web Platform
- Real-Time Management Tools for Coordinators
- Keep students updated on important dates and deadlines

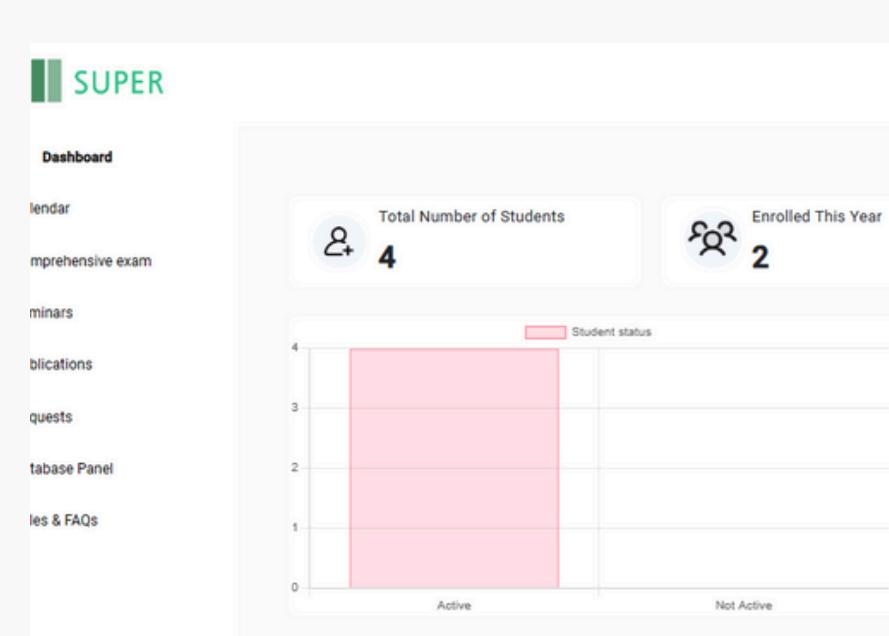

METHODOLOGY

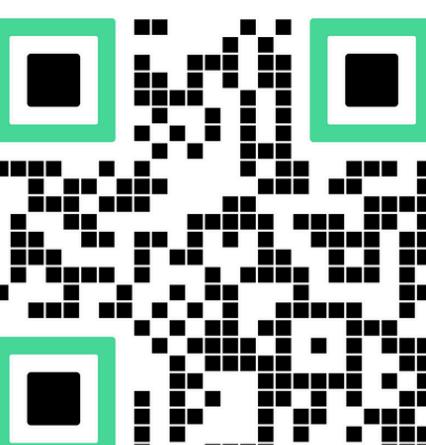

RESULT

Student Information
Name: Rawan Almeshari
ID: 20200202
Phone: 091480882
Email: rawanalmeshari@gmail.com
GPA: 3.5
Department: CS
Supervisor: Shatha Alsulami
Remaining Semesters: 5
Graduation Year: 2025-05-12
