

A circular inset in the upper left shows a photograph of a university campus with modern, light-colored buildings and a central fountain. Overlaid on this image is the text "SUPER" in large, bold, green letters, with three vertical bars extending from the letter "R". Below this, in smaller white letters, is the text "SCHOLAR'S UNIFIED PROGRESS & EFFICIENCY RESOURCE".

SUPER

Scholar's Unified Progress & Efficiency
Resource

A light blue diamond-shaped callout is positioned in the bottom right corner. Inside it, the text "GROUP #5" is written in bold black capital letters.

Introduction

What is SUPER?

A web-based platform designed to enhance the PhD journey for students and coordinators at the Faculty of Computing and Information Technology, King Abdulaziz University.

why SUPER?

To address the lack of a unified system that integrates real-time academic tracking and efficient management tools for PhD students and coordinators.

Prototype & Features

Prototype & Features

New Registration and Login Page

The login page features a white header with the SUPER III logo and a green footer. It includes fields for User ID and Password, a 'Forgot Password?' link, and a 'Login' button.

🎓 Dashboard For the Coordinator

The screenshot shows the SUPER dashboard interface for a coordinator. The top navigation bar includes a logo, a search bar, and user information (Waffa Alsaggaf). On the left, a sidebar lists navigation links: Dashboard, Calendar, Comprehensive exam, Seminars, Publications, and Database panel. The main content area features several data cards and charts.

- Total number of students:** 32
- Enrolled this year:** 5
- Expected to graduate:** 10

Publication Metrics: Bar chart showing publications per year from 2019 to 2024.

Year	Publications
2019	15
2020	28
2021	20
2022	30
2023	12
2024	24

Student Distribution by Stage: Donut chart showing student distribution across four stages.

Stage	Percentage
Coursework	38.6%
Thesis Stage	30.8%
Defense Scheduled	22.5%
Other	8.1%

Percentage of student finishing a task: Table showing the percentage completion of three tasks.

#	Name	Completion (%)
01	task 1	45%
02	task 2	29%
03	task 3	18%

Prototype & Features

Real-Time Calender for both Students and Coordinators

The screenshot shows a web-based calendar application titled "SUPER". The main header features a graduation cap icon, the title "Real-Time Calender for both Students and Coordinators", and a search bar with a user profile placeholder "Waffa Alsaggaf". The left sidebar includes links for "Dashboard", "Calendar" (which is currently selected), "Comprehensive exam", "Seminars", "Publications", and "Database panel". The central area displays a monthly calendar for March 2024. A tooltip above the calendar reads "click of the day to add and event and specified email content". The days of the week are labeled from Sunday to Saturday. Specific events are highlighted: "start of semester" on Monday, March 4th, and "written comprehensive exam" on Friday, March 29th. The entire interface is clean and modern, designed for easy navigation and management of academic events.

Prototype & Features

Comprehensive Exam Page: Displays details about comprehensive exams taken by students

The screenshot shows the 'Comprehensive exam' page from the SUPER application. The left sidebar includes links for Dashboard, Calendar, Comprehensive exam (which is selected), Seminars, Publications, and Database panel. The main content area has a search bar and filters for Field, Year, and Location. A table displays student exam results with the following data:

Student name	Attempt #	Exam	Score	Date	Action
student 1	1	CV-EMEX-2021-I-1	15/30	12 Jan 2023	edit
student 2	2	CV-RETE-2021-2	15/30	4 Feb 2023	edit
student 3	1	CV-MD-2021-III-3	15/30	18 Mar 2023	edit
student 4	2	CV-EMEX-2021-I-1	15/30	27 Apr 2023	edit
student 5	1	CV-MD-2021-III-3	15/30	18 May 2023	edit
student 6	1	CV-MD-2021-III-3	15/30	21 Jun 2023	edit
student 7	1	CV-MD-2021-III-3	15/30	28 Jul 2023	edit
student 8	2	CV-RETE-2021-2	15/30	22 Aug 2023	edit
student 9	3	CV-EMEX-2021-I-1	15/30	13 Sep 2023	edit
student 10	3	CV-EMEX-2021-I-1	15/30	13 Sep 2023	edit

At the bottom, there are pagination controls for 'Rows per page: 11', '1-10 of 32', and navigation arrows.

Prototype & Features

🎓 Adding Seminars

The screenshot shows a user interface for managing seminars. On the left, there's a sidebar with navigation links: Dashboard, Calendar, Comprehensive exam, Seminars (which is selected and highlighted in green), Publications, and Database panel. The main area is titled "Seminars" and contains a search bar, a notification bell icon with a red '4', a gear icon for settings, and a user profile for "Waffa Alsaggaf". A modal window titled "Add New Seminar" is open in the center. It includes fields for "Seminar Title" (with a "Presented by" dropdown), "In Field" (a dropdown menu), "Date & time" (a date picker), "Description", "Seminar Location" (radio buttons for "Online" and "In-present" with "Online" selected), "Seminar link", "Seminar Room", and two buttons at the bottom: "Add Seminar" (green) and "Cancel" (red). Below the modal, there's a table with two rows of seminar data, each with columns for "Student ID", "Name", "Seminar", "Date", "Time", and "Actions". At the bottom of the page, there are pagination controls: "Show per page: 10", "1-100 of 300", and "Next".

Prototype & Features

🎓 The Coordinator can view the student's publications

The screenshot shows the 'Publications' section of the SUPER application. The left sidebar includes links for Dashboard, Calendar, Comprehensive exam, Seminars, Publications (which is selected), and Database panel. The main area has a search bar and filters for Field and Year. A table lists 32 publications, each with columns for Student name, Supervisor name, Publication Title, Field, Date, and edit/view buttons. The publications are categorized by field: HCI, Network, and Database.

Student name	Supervisor name	Publication Title	Field	Date	Action
student 1	supervisor	title	HCI	01-02-2022	edit view
student 2	supervisor	title	Network	01-02-2022	edit view
student 3	supervisor	title	Network	01-02-2022	edit view
student 4	supervisor	title	Database	01-02-2022	edit view
student 5	supervisor	title	HCI	01-02-2022	edit view
student 6	supervisor	title	HCI	01-02-2022	edit view
student 7	supervisor	title	Database	01-02-2022	edit view
student 8	supervisor	title	Database	01-02-2022	edit view

🎓 The Student can Add his publications and view them

The screenshot shows the 'Publications' section of the SUPER application. The left sidebar includes links for Student information, Up-coming Seminars, Publications (selected), Rules & FAQs, and Calendar. The main area has a 'Publication File Upload' section with a file input field for 'Uploaded File' (containing 'publication.pdf'), fields for 'Publication Title', 'In Field' (set to 'HCI'), 'Location Of Publish', and 'Date Of Publish'. Below this is a table titled 'Uploaded publications' showing one entry: 'Title' under 'Publication title', 'HCI' under 'Field', 'journal' under 'Location Of Publish', and '01-02-2022' under 'Date'.

Publication title	Field	Location Of Publish	Date	Action
Title	HCI	journal	01-02-2022	edit Delete

Prototype & Features

The Students Can search for a FAQs

The screenshot shows a user interface for a student portal. On the left, there is a sidebar with the following navigation options: SUPER, Student information, Up-coming Seminars, Publications, Rules & FAQs (which is currently selected), and Calendar. The main content area is titled "Rules & FAQs" and contains two tabs: "Rules" (selected) and "FAQ". At the top right of the main area, there is a search bar labeled "Search" and a user profile icon for "Gadah almuaike". Below the tabs, there is another search bar labeled "Search" and a "Rule Categories" dropdown. The main content area displays a list of rules, each consisting of a title ("rule") and a description ("details about the rule"). To the right of each rule entry is a minus sign (-) and a plus sign (+). There are eight such entries, each with a plus sign at the end.

Prototype & Features

Database Panel for managing any student information

A screenshot of a database management interface. The top navigation bar includes a logo with three vertical bars and the word "SUPER", a "Publications" section, a search bar with a magnifying glass icon, and a user profile for "Waffa Alsaggaf". A red notification badge with the number "4" is visible on the notifications icon. The left sidebar lists several menu items: Dashboard, Calendar, Comprehensive exam, Seminars, Publications, and Database panel, with the last one being the active tab. The main content area is currently empty, showing a large white space.

this page will be similar to the ouds plus page

Testing

Unit Testing for editSeminar

```
14     public function testUpdateSeminar()
15     {
16         $seminar = Seminars::factory()->create();           // Create a seminar
17         $newData = [
18             'Title' => 'Updated Title',
19             'Field' => 'Updated Field',
20             'Location' => 'Updated Location',
21             'Date' => '2024-05-15', // New date
22             'Time' => '10:00:00', // New time
23             'Name' => 'Updated Name'
24         ];
25     }
26
27     // Call the update seminar endpoint with the new data
28     $response = $this->put("/seminar/update/{$seminar->id}", $newData);
29     $response->assertStatus(200);           // Assert that the response is successful
30 }
31
32 }
33 }
```

Unit Testing for fetchRules

```
17     * @return void
18     */
19     public function testFetchRules()
20     {
21         $rule = Rule::factory()->create();           // Assuming there's at least one rule in the database
22         $response = $this->get('/Rule/fetchRule');
23         $response->assertStatus(200);                // Assert that the response is successful
24         $response->assertJsonFragment($rule->toArray()); // Assert that the response contains the last rule
25
26     }
27
28     public function testFetchRulesWhenEmpty()
29     {
30         Rule::truncate();               // Clear all rules from the database
31         $response = $this->get('/Rule/fetchRule');      // Call the fetchRules endpoint
32         $response->assertStatus(200); // Assert that the response is successful
33
34
35     }
36 }
```

Unit Testing for AddEvent

```
13
14     public function testAddEvent()
15     {
16         $data = [
17             'title' => 'Sample Event',
18             'EventStart' => '2024-05-15 09:00:00',
19             'EventEnd' => '2024-05-15 17:00:00',
20             'Description' => 'This is a sample event description.',
21         ];
22
23         // Send a POST request to the /event/add endpoint with the sample data
24         $response = $this->post('/event/add', $data);
25
26         // Assert that the response status code is 200
27         $response->assertStatus(200);
28     }
29 }
30 }
```

Unit Testing for ResetPassword

```
14
15     public function testForgotPassword()
16     {
17
18         // Mock the Mail facade to prevent actual email sending
19         Mail::fake();
20
21         // Assert the response body contains the expected data
22         $response->assertJson([
23             'subject' => 'New Password For SUPER!',
24             'firstName' => 'Bashaier',
25             'lastName' => 'Alamoudi',
26             'email' => 'Bashaier@gmail.com'
27         ]);
28
29         // Assert that the email was sent to the correct recipient with the correct data
30         Mail::assertSent(forgotPassword::class, function ($mail) use ($user) {
31             return $mail->hasTo($user->email) &&
32             |   |   $mail->data['subject'] === 'New Password For SUPER!';
33         });
34     }
35 }
36 }
```

Unit Testing for AddEvent

```
| PS C:\Users\earth\laravel-1> php artisan test
⑥
  PASS Tests\Feature\EventTest
    ✓ add event

  PASS Tests\Feature>PasswordResetTest
    ✓ forgot password

  PASS Tests\Feature\RuleTest
    ✓ fetch rules
    ✓ fetch rules when empty

  PASS Tests\Feature\SeminarEditTest
    ✓ seminar edit

Tests:  5 passed (5 assertions)

209 | }
```

Integration Testing

The screenshot shows a web application interface with a dark grey header containing the word "SUPER" in white. On the left, there's a sidebar with various menu items: Dashboard, Calendar, Comprehensive exam, Seminars, Publications, Requests, Database Panel, and Rules & FAQs. The "Seminars" item is currently selected and highlighted in green. In the main content area, there's a "Filter" section with dropdown menus for Date and Type. Below it is a table with columns: Name, Time, and Action. The table contains three rows of data. A red button labeled "Delete Selected" is visible above the table. A blue button labeled "Add New Seminar" is also present. A modal window titled "Add New Student Seminar" is open in the foreground. It contains fields for Type (set to Public), Name (set to "wafaa alsagaf"), Title (set to "Web Development"), Field (set to "Software engineering"), Location (set to "www.google.com"), Time (set to "14:15"), and Date (set to "5/12/2024"). At the bottom of the modal are "Cancel" and "Save" buttons. The bottom right corner of the modal has a watermark that says "screenrec".

Integration Testing

The screenshot shows a web-based calendar interface for the month of May 2024. The calendar is displayed in a grid format with days from Sunday to Saturday. A modal window is overlaid on the calendar, providing detailed information about a specific event.

Calendar Details:

- Title of Seminar:** Web Development
- Start:** May 11, 2024, 9:00:00 PM
- End:** (not explicitly shown)
- Description:** A Seminar presented by Wafaa Alsagaf under title Web Development that is in field Software engineering

Background Calendar (May 2024):

Sun	Mon	Tue	Wed	Thu	Fri	Sat
28	29	30	1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30	31	1
2	3	4	5	6	7	8

User Interface Elements:

- SUPER Logo:** Located at the top left.
- User Profile:** At the top right, showing 'bayan alkutobi'.
- Navigation:** Includes arrows for navigating months, a 'today' button, and tabs for 'month', 'week', 'day', and 'list'.
- Left Sidebar:** Contains links for 'Student Information', 'Up-coming Seminars', 'My Seminars', 'Publications', and 'Rules & FAQs'.
- Modal Content:** The central modal window has a white background and black text, with a close button at the bottom.
- Watermark:** A 'screenrec' watermark is visible on the right side of the calendar.

Requests - Coordinator

The screenshot shows a web-based application interface for managing student requests. The top navigation bar includes the 'SUPER' logo, a user profile icon, and the name 'ghadah almuaikel'. The left sidebar contains links for Dashboard, Requests (which is currently selected), Database Panel, and Rules & FAQs. The main content area displays a table of student requests with columns for Student ID, Student Name, Department, Email, Phone Number, and Action. A modal window is overlaid on the table, showing detailed student information for a request from student ID 2011201. The modal fields include:

ID	Name
2011201	abdullah sultan almuaikel

National ID	Email
1112322882	notiontempillate24@gmail.com

GPA	Phone Number
4.5	0593480882

Section	Enroll Year
male	2022-03-07

At the bottom of the modal are two buttons: 'Accept' (gray) and 'Reject' (red).

Calendar

Calendar

The screenshot shows a calendar interface for June 2024. The days of the week are labeled at the top: Sun, Mon, Tue, Wed, Thu, Fri, Sat. The dates are represented by small green numbers. Two specific dates have blue dots above them, indicating events: June 10th and June 19th. A tooltip for June 10th reads "9p Title of Seminar: hci". A tooltip for June 19th also reads "9p Title of Seminar: hci". The sidebar on the left contains a logo for "SUPER" and a list of links: Dashboard, Calendar, Comprehensive exam, Seminars, Publications, Requests, Database Panel, and Rules & FAQs.

Sun	Mon	Tue	Wed	Thu	Fri	Sat

Comprehensive
exam

Comprehensive exam - Coordinator

The screenshot shows the SUPER application interface. On the left, there is a sidebar with various menu items: Dashboard, Calendar, Comprehensive exam (which is currently selected and highlighted in green), Seminars, Publications, Requests, Database Panel, and Rules & FAQs. In the main content area, there is a table titled 'Manage Exams'. The table has columns for Action, Exam Name, Year, Season, Written Score, and Oral Score. There are three rows in the table, each corresponding to an exam named 'com-exam-1' from 2024, with scores 55, 60, and 88 respectively. At the top of the table, there are buttons for 'Delete Selected' and 'Manage Exams'. A dropdown menu is open over the 'Manage Exams' button, showing options: New Exam, Assign Students to Exam, Notify Exam, and Grade Exam. The user's name, 'ghadah almuaike', is displayed at the top right.

Action	Exam Name	Year	Season	Written Score	Oral Score
Edit Delete	com-exam-1	2024	Spring	55	
Edit Delete	com-exam-1	2024	Spring	60	50
Edit Delete	com-exam-1	2024	Spring	80	88

Seminar

Requests - Coordinator

The screenshot shows the SUPER application interface. On the left, there is a sidebar with the following navigation options: Dashboard, Calendar, Comprehensive exam, Seminars (which is currently selected), Publications, Requests, Database Panel, and Rules & FAQs. The main content area displays a table of seminar requests. The table has columns: Name, Title, Field, Location, Date, Time, and Action. There are two rows of data:

	Name	Title	Field	Location	Date	Time	Action
<input type="checkbox"/>	Abeer almalki	HCI	HCI	online	2024-05-11	00:00:00	Delete
<input type="checkbox"/>	Bahsair alamoudi	Network	Network	online	2024-05-14	22:00:00	Delete

At the top of the main content area, there are filters for 'Filter', 'Date', and 'Type'. Below the table, there are buttons for 'Delete Selected' and 'Add New Seminar'. At the bottom right of the table, there are pagination controls: 'Items per page: 5', '1 - 2 of 2', and navigation arrows.

Seminar - Coordinator

The screenshot shows a user interface for managing seminars. On the left, there's a sidebar with links like Dashboard, Calendar, Comprehensive exam, Seminars, Publications, Requests, Database Panel, and Rules & FAQs. The main area has a header with 'SUPER' and a user profile for 'ghadah almuaike'. Below the header are filters for 'Filter', 'Date', and 'Type'. A red button says 'Delete Selected' and a blue button says 'Add New Seminar'. The main table lists two seminars: 'Abeer almalki' and 'Bahsair alamoudi'. A modal window titled 'Add New Student Seminar' is open, prompting for details: Type (Student), ID (2005062), Title (Network), Field (Network), Location (https://youtu.be/R4V2eD), Time (12:00 AM), and Date (5/13/2024). Buttons at the bottom of the modal are 'Cancel' and 'Save'.

	Name	Title	Field	Location	Date	Time	Action
<input type="checkbox"/>	Abeer almalki	HCI	HCI	online	2024-05-11	00:00:00	Delete
<input type="checkbox"/>	Bahsair alamoudi	Network	Network	online	2024-05-14	22:00:00	Delete

Seminar - Student

The screenshot shows the SUPER platform interface for a student. The top navigation bar includes a logo, a search bar, and user account information for 'bahsair alamoudi'. On the left, a sidebar lists 'Student Information', 'Up-coming Seminars', and 'My Seminars' (which is currently selected). Below these are links for 'Publications', 'Rules & FAQs', and 'Calendar'. The main content area displays two tabs: 'Presented Seminars' and 'Attended Seminars'. The 'Presented Seminars' tab is active, showing a table with one entry. The table columns are: Name, Title, Field, Location, Date, Time, and Action. The single entry is for 'Bahsair alamoudi' with details: Network, Network, online, 2024-05-14, 22:00:00, and an 'Edit' button. The table has a green header and light gray rows. There are also filter and sorting options for Date and Field.

Name	Title	Field	Location	Date	Time	Action
Bahsair alamoudi	Network	Network	online	2024-05-14	22:00:00	Edit

Seminar - Coordinator

The screenshot shows the SUPER seminar coordinator interface. On the left, there is a sidebar with the following navigation options:

- Student Information
- Up-coming Seminars** (selected)
- My Seminars
- Publications
- Rules & FAQs
- Calendar

The main content area displays a table of up-coming seminars. The table has the following columns:

Name	Title	Field	Location	Date	Time
Abeer almalki	HCI	HCI	online	2024-05-11	00:00:00
Bahsair alamoudi	Network	Network	online	2024-05-14	22:00:00

At the top right of the main area, there are filter options for "Filter", "Date", and "Field". At the bottom right, there are buttons for "Items per page:" (set to 5), "1 – 2 of 2", and navigation arrows.
